OCTOBER IS NATIONAL FARM TO SCHOOL MONTH,

a time to celebrate the connections happening all over the country between children and local food!

Everyone can get involved

with farm to school! Try a new local food with a taste test, plan a field trip to

a farm, serve a local food item for lunch or as a snack, plant seeds or harvest from a garden, or read a farm or food-related book! How will you show your support for farm to school this October?

Find more activity

ideas, resources, and materials for celebrating at
